

Congratulations! General Manager Chao-Wen Wu won the 11th Southern Taiwan Outstanding Manager Award

Writer/ Liang-Bi-Chen

BXB Electronics Co., Ltd. spread the good news, again! Our General Manager Chao-Wen Wu won the 11th Taiwan Outstanding Manager Award. The review procedure of this award is extremely rigorous, as becoming a professional manager Oscar award in southern Taiwan. The awards ceremony was held at the Ambassador Hotel Kaohsiung in the evening, Nov 21st 2014.

This year, the organizer of this award uses “Eclectic” as a main idea and encourages enterprises to promote cross-border integration. The selection of outstanding managers in promoting industrial innovation, escape the traditional framework has a unique excellent achievement. The organizer of this award expressed that this annual event is not only make these winning outstanding manager to have an opportunity to communicate with each other to learn. Moreover, the organizer hopes that a knowledge platform can be formed, thus cross-border thinking can really be implemented. It can also increase the height and breadth of the winning outstanding managers in all aspects, but can also promote the common growth of enterprises and industries.
